

Hydrangeas - Macrophyllas

Mop Head Hydrangeas:

Endless Summer – mounding bush with excellent early and repeat blooming. Light bright blue to light pink (pH) flowers are broader than round. Size: 3-5 ft tall and wide

Bloomstruck - Relatively upright bush with dark stems. Heavy repeat bloom. Purple-blue to rosy pink (pH) flowers are well presented on rigid stems. Size: 3-4 ft tall x 4-5 ft wide

Blushing Bride – Rounded bush with early and repeat flowering. Very round white flowers age very light pink or very light blue (pH). Nice soft accent. Size: 4-6 ft tall and wide

Cityline Paris – Very dwarf bush covered with dramatic red-pink or purplish-blue flowers (pH). Great size and good repeat bloom. Size: 2-3 ft tall and wide.

Cityline Rio – Very dwarf bush covered with unusually deep blue to purple (pH) flowers. Nice compact habit, size: 2-3 ft tall and wide

Cityline Mars – Very dwarf bush covered with striking pink or blue flowers (pH), with every petal edged in white.

Parapl – Dense and compact plant with bright pink fully double flowers, broader than round. Tends to not change color due to pH. Size: 3-4 ft tall and wide.

Nikko Blue – The traditional full sized mop-heap, with large round flowers blue to pink (pH). Some repeat bloom. Size: 6-8 ft tall and wide.

Glowing Embers – older hybrid, a compact upright bush with bright pink to red flowers. Tends not to change color due to pH. Size: 4-5 ft tall and wide

Wedding Ring – Midsized bush with good repeat bloom. Flowers are light pink to light blue (pH), with a white ring around each petal. Size 4-6 ft tall and wide.

Sun Goddess – Upright bush with solid yellow leaf. Large round flowers are pink to blue (pH), with some repeat bloom. Size: 4-5 ft tall and wide.

Pistachio – Mounding bush with good repeat bloom. Unusual flowers start green, developing increasing and deeper irregular red streaks and bands. Show stopping! Size: 3-4 ft tall x 4-5 ft wide.

Lace Cap Hydrangeas:

Twist N Shout – mounding shrub with very broad pink or blue (pH) lace-cap flowers. Excellent early and repeat bloom. Size: 3-5 ft tall and wide.

Star Gazer – Upright shrub with good repeat bloom. Broadly rounded flowers are fully double, pink or blue (pH) with a white ring around each petal. Size: 3-4 ft tall x 4-5 ft wide.

Teller Blue – Upright shrub, covered in broad lacecap flowers. Tends toward blue, but can be pH shifted. Size 5-6 ft tall and wide

Teller Red – Upright shrub covered in broad lacecap flowers. Tends toward deep reddish-pink, but can be pH shifted. Size 5-6 ft tall and wide.

Hydrangeas – Paniculate and Oakleaf

Paniculate Hydrangeas – upright shrubs with lilac-like panicles

Quickfire – Large shrub with open, loose flowers. White flowers age deep burgundy. Earliest blooming paniculate type. Size: 6-8 ft tall and wide.

Limelight – Large shrub with well shaped panicle. White flowers age to chartreuse green. Size: 6-8 ft tall and wide.

Vanilla Strawberry – Narrow upright habit with very dense panicle. White flowers age slowly, beginning at the base, to bright red-pink. Size 6-7 ft tall x 4-5 ft wide

Strawberry Sundae – compact upright bush with looser panicle. White flowers age to bright pink. Size: 4-5 ft tall and wide.

Little Lime – Compact upright bush. Dense panicle of white flowers aging chartreuse green. Size: 4-5 ft tall and wide.

Pinky Winky – Large shrub with large well formed panicle. White flowers age slowly, beginning at base, to deep pink. Size: 6-8 ft tall and wide.

Oakleaf Hydrangeas - equally at home in sun or mixed shade, with usually very large lilac-like panicles. Leaves tend to be large, deeply lobed, with good fall color – and often persist much longer than other deciduous shrubs.

Jet Stream – Dense and compact bush with strong stems. Large white panicles age to deep burgundy. Size: 5-6 ft tall by 4-5 ft wide

Snow Queen – broad and upright bush with strong stems. Large white panicles age to deep pink. Size 4-5 ft tall by 5-6 ft wide

Little Honey – Compact shrub with bright yellow to chartreuse foliage. Loose white panicles age greenish, but fall leaf color is superb. Needs some afternoon shade. Size: 3-4 ft tall and wide

Ruby Slippers – Compact shrub with good strong stems. Dense white panicles age to deep pink. Size: 3-4 ft tall and wide.
